CRONDON PARK

Crondon Park has won the prestigious first place title in The British Wedding Awards 2019 as Best Countryside Wedding Venue in the UK and also Highly Commended in the Best Barn Wedding Category. The British Wedding Awards is a celebration of the UK's favourite wedding companies voted for and chosen by real customers who have used their services. The 'Baronial Hall' has a unique charm, it has become one of the most popular wedding venues in Essex. The Hall can seat up to 148 guests for the Wedding Breakfast and approximately 220 for the evening reception.

The Venue

Baronial Hall: The main chandeliers are replicated from that period and adds a sense of grandeur. The hall underwent extensive refurbishment and improvements in 1995. The walls were constructed with modern thermal materials, which makes the acoustics similar to a recording studio, great for music. The rosewood floor was purchased from County Hall, near Westminster, London. There is a fully stocked bar with open access to the hall, adjacent to an external seating area. The hall, bar and gardens have themed lighting, to match the colours you have chosen for your special day.

The Ceremony Room: Built some 30 years ago and compliments The Baronial Hall, this room is located directly off of the Hall, therefore your guests are encompassed in one building throughout your special day.

The Willows: This private area located within The Baronial Hall, is where the Registrar will carry out the pre ceremony interviews. This is a private bridal toilet and make up facility and is a lockable area. At the end of your day our staff will ensure your belongings are safely stored overnight ready for collection the following morning.

Secluded Gardens: There is direct access to the half-acre private garden, perfect for wedding photographs. When weather allows, the garden includes an outdoor tiered seating ceremony area, under a floral canopy, which makes the perfect garden setting for the ceremony.
