Emma & Mark

Everything about Crondon Park is exceptional, the staff, the food, the venue and even the weather on our wedding day blew us away. The sprawling fields on the approach sets the scene and it only gets better once you reach the property.

All the staff provided such spectacular support and service, we cannot thank them enough. The girls in the office in particular were amazing and were so friendly.

Our front of house manager was like my fairy godmother, she'd appear just when I needed her, pre-empting my questions or needs and always had a solution. So patient and thoughtful.

I cannot express how good the food is. The chefs are a master at what they do. Due to numerous allergies, my maid of honour had very limited options of what she can eat. The head chef adapted the ingredients in everything she had chosen for her meals, without even a flicker.

DJ Phil was amazing! He worked with us on our playlist and nailed the transitions to the next song perfectly. Our two dogs were also allowed to attend our wedding and the party after!

If you're looking for a beautiful venue that provides second to none service, then Crondon Park is the venue for you. If having a wedding was a yearly event, we'd return to Crondon Park every time.

Danny & Zolt

My partner and I first visited back in February 2023. We were greeted by Kara, who was nothing short of friendly and supportive. It was one of the first venues we had seen and booked the next day.

We would regularly be in contact with the office who would also answer any questions or queries we had. The communication was always quick and reassuring.

As for the big day itself it was absolutely perfect. Our front of house manager, was nothing short of amazing, professional, friendly and went above and beyond what we expected. The food was absolutely delicious, the service was impeccable.

We would highly recommend this venue to any couple. 5 star service from start to finish. From the bottom of our hearts, thank you Crondon Park! The big day and experience will be cherished in our memories forever.

Charina & James

We had the most incredible experience at Crondon Park. From the moment we first visited, we were made to feel so welcomed with such a thorough and helpful overview — it truly made our decision so easy.

A huge thank you to the girls in the office as well for patiently answering all of our questions.

We're especially grateful to our front of house manager, who not only answered all of our questions but also guided and looked after us on the day with such calm professionalism. Everything ran so smoothly thanks to her, and it allowed us to relax and enjoy every moment.

The venue itself was absolutely stunning — our guests couldn't stop commenting on how beautiful it was. The food was also absolutely delicious and a real highlight for everyone. And thank you to DJ Phil, who did such a great job keeping the energy up and getting everyone on the dance floor.

Thank you all for helping create such an unforgettable day

Adele & Shane

Weddings are an amazing thing. For one night, friends and family are in the same place, at the same time, celebrating love. People who would never have otherwise met, moments that would never have been experienced, took place because of the efforts of you and your team.

Your job enables you to build these memories that people cherish, it is only through the efforts of Crondon Park, that people like Adele and I have such a wonderful thing to look back on. All the staff are truly phenomenal.

We wanted you to know that whilst your job may see you become accustomed to the process of planning weddings, what you do is magic. You gave us so much to hold dear and we will never forget. Crondon is a part of our story now and forever, because of what the team accomplished for us.
